**MBA (Integrated)  
5-yrs. Course**

**MBA (5 Year) is an integrated** course in management which focus on creating ‘learning managers’. The course is spread over 10 semesters and is especially designed for 10+2 students who wish to inculcate managerial skills in them for their future career developments. Students have an opportunity to specialize in various management areas such as Finance, Human Resource, Marketing and International Business. After the successful completion of 3 year course, BBA degree is awarded to the students and on upon continuation for further two years, MBA degree is awarded.

This provides a comprehensive knowledge & understanding of fundamentals of business along with a close experience of current business trends and practices. This course is unique in terms of getting industry interaction, which the students experience for four times in the entire course duration. The course curriculum is designed in such a way that students are equipped with various managerial and cognitive skills to take up growing challenges in business world and provide ethical solution to them. This increases the placement opportunities for them.
