Post Graduate Diploma in Social Duties and Human Rights

Objective

Human rights are those rights which are inherent in our nature and without which we cannot live as human beings. Human rights and fundamental freedoms allow us to fully develop and use our human qualities, our intelligence, our talents, and our conscience and to satisfy our physical, spiritual and other needs. They are based on mankind's increasing demand for a life in which the inherent dignity and worth of each human being will receive respect and protection. The goals of this programmes include promoting human rights with the respect of social duties of an human being.
