## Career Objective

To provide a positive atmosphere and higher quality education among students by using my knowledge and experience. I aspire to become an excellent teacher for facilitating an educational atmosphere where students have the opportunity to fulfill their potential for intellectual, social, spiritual and psychological growth. I want to reach out to each student to provide extracurricular, individualized support, ensuring that all students can become proficient in Sanskrit and succeed in life. I want to extend my research and try to find out new dimension of Sanskrit and other languages which will impact on modern society and its progress.
